

In the Specification

Kindly replace paragraph [0001] with the following:

SPECIFICATION

**SOLUTION CONTAINING FLAME-RESISTANT POLYMER AND CARBON MOLDING
RELATED APPLICATION**

This is a §371 of International Application No. PCT/JP2005/002564, with an international filing date of February 18, 2005 (WO 2005/080448 A1, published September 1, 2005), which is based on Japanese Patent Application Nos.2004-044074, filed February 20, 2004, and 2004-265269, filed September 13, 2004.

TECHNICAL FIELD

The present invention relates to a flame-resistant polymer and a solution containing a flame-resistant polymer, and more particularly to a flame-resistant polymer appropriate for obtaining a flame-resistant formed product and the like, a flame-resistant polymer-containing solution and a manufacturing method thereof.
